Library Disability Support

We are here to help

Your library team is here to make sure everyone can use and get the most out of our services.

You can contact:

- **Your subject librarian**
  Every department has a named librarian who will be happy to introduce library services, advise on specific resources and discuss particular needs.

- **The Abdus Salam Library Information Hub and campus library issue desks**
  For help with borrowing and requesting books, and all general enquiries.

All contact details are on our website at **imperial.ac.uk/library/contact-us**

Services and support

If you are registered with Imperial's Disability Advisory Service you will automatically have:

- **Longer book loans**
  3 week loans instead of 1 week.

- **Book fetching**
  You can request items for collection, to pick up at your chosen library.

- **Access to priority desks at the Abdus Salam Library**

We can also arrange:

- **Swipe card access to the Assistive Technology Room at the Abdus Salam Library**

- **Accessible textbooks**

- **Coloured paper and screen overlays**

About the libraries

Priority desks

Students registered with the Disability Advisory Service can book a priority desk at the Abdus Salam Library.

All height-adjustable desks on levels 2 and 3 (Silent Study) and 6 desks in the Wolfson Suite on level 1 are bookable and indicated by a sticker.

Priority is given to students with a booking.

Wheelchair access

All our libraries are wheelchair accessible but some routes are complicated. If you are unsure please contact the relevant library.

Hearing loops

Our enquiry desks have portable hearing loops, please ask if you need assistance.

Assistive Technology Room

The Assistive Technology Room on level 1 at the Abdus Salam Library offers a quiet space for students registered with the Disability Advisory Service to study in.

Swipe card access can be arranged through the Disability Advisory Service or Library Services.

Priority is given to students with a booking.

Features of the room include:

- **A variety of study spaces, including 4 height-adjustable desks**
- **3 PCs with larger screens**
- **1 PC with extra large, curved screen**
- **Noise cancelling headphones**
- **Accessible printer-copier**
- **Soft lighting**
- **Screen overlays and coloured paper**
