

No research donations, research grants or contracts worth over £10,000 were received from Russian or Iranian nationals or organisations.

There were no single donations worth over £10,000 from Chinese nationals. Donations from Chinese organisations were as follows:

Donations worth over £10,000 from Chinese organisations

Organisation Name	Fund Description	Gift Amount	Gift Date
The Lees Charitable Foundation Ltd	Lee Family - Faculty of Medicine Scholarships	£1,250,000.00	30/09/2020
Kadoorie Charitable Foundation	Combatting Cholangiocarcinoma in Laos	£138,000.00	04/08/2023
Kadoorie Charitable Foundation	Combatting Cholangiocarcinoma in Laos	£194,163.00	24/02/2023
Huawei Technologies Co Ltd	Academic Salon in Intelligent Communications	£49,800.00	02/02/2021
Huawei Technologies Co Ltd	Networking in Next Generation Data Centres	£45,232.00	06/01/2023
Huawei Technologies Co Ltd	Support research in the field of Compiler Autogeneration	£45,000.00	07/09/2021
Huawei Technologies Co Ltd	Huawei Chair in Wireless System	£800,000.00	12/08/2022
Huawei Technologies Co Ltd	Huawei Chair in Wireless System	£800,000.00	20/07/2023
Huawei Technologies Co Ltd	Huawei Chair in Wireless System	£800,000.00	20/07/2021
Huawei Technologies Co Ltd	Huawei Chair in Wireless System	£800,000.00	09/09/2020
Huawei Technologies Co Ltd	Support research for 'RAX: Reconfigurable Architecture Explorer'	£44,621.00	23/06/2022
Huawei Technologies Co Ltd	AI Workshops and Seminars in Recent Advances in AI	£180,000.00	17/02/2021
Brilliant Rightpoint Limited	Awards in the Data Science Institute	£11,000.00	24/03/2021
Shanghai ShenHang Imp. & Exp. Co Ltd	CICB-ICL SmartForming Research Base	£300,000.00	23/07/2021
Shanghai ShenHang Imp. & Exp. Co Ltd	CICB-ICL SmartForming Research Base	£300,000.00	02/06/2023

Shanghai ShenHang Imp. & Exp. Co Ltd	CICB-ICL SmartForming Research Base	£300,000.00	02/07/2024
MR Global (HK) Limited (Mindray)	Donation to support a training programme - Mindray	£136,950.00	13/07/2022
MR Global (HK) Limited (Mindray)	Donation to support a training programme - Mindray	£136,000.00	06/03/2023
Guangzhou Xinheng Pump Manufacturing Co., Ltd	Research on zero-pollution sustainable manufacturing Department of Mechanical Engineering	£300,000.00	27/06/2024
Guangzhou Xinheng Pump Manufacturing Co., Ltd	Research on zero-pollution sustainable manufacturing Department of Mechanical Engineering	£300,000.00	30/06/2023

Research funding and grants from Chinese organisations were as follows:

Research grants/contracts funding received (worth over £10,000)

Organisation	Project
Aircraft Strength Research Institute, AVIC	AVIC-ASRI Research Agreement
AVIC Manufacturing Technology Institute	AVIC Centre for Structural Design & Manufacture
Beijing Aeronautical Science & Technology Research	COMAC-Imperial Research Centre for wing technology for commercial aircraft
Beijing Institute of Aeronautical Materials (BIAM)	AVIC Centre for Materials Characterisation, Processing and Modelling
BGP Inc, China National Petroleum Corporation	Reservoir Geophysics -3
China Petrochemical Technology Company Limited	Centre for reservoir geophysics : SINPOEC Research Programm
	RESOURCE GEOPHYSICS ACADEMY
CNOOC China Limited Beijing Research Center	CNOOC Centre for Reservoir Geophysics Collaborative Research Agreement
	Sponsorship to Centre for Reservoir Geophysics
CRRC Qingdao Sifang Co.,Ltd	CFD modelling of flow pattern for high-speed train - Phase 1
	CFD modelling of flow pattern for high-speed train - Phase 2
	Extrusion of curved profiles for high-speed EMU
	Study of hot forging process on laser welded high-strength steel
Heilongjiang Academy of Sciences Institute of Auto	Intelligent Manufacturing

IMPF0I-24-388, Funding from China, Russia and Iran

Huawei Device Co., Ltd	Image generation cooperative project (IGCP)
	Communication and Sensing for future 5G Network
Huawei Technologies Co. Ltd	Rate-Splitting based Robust Transmission
	3D object pose estimation and tracking
	Advance Research for Native Intelligent Communications Systems
	Battery degradation modelling - Life prognostic model
	CESH: Coupling Exploration and Synthesis in High-Level Design
	Enclave Key Technologies Collaboration Project - Cloud Security
	HIRP Far-field Wireless Power Transfer
	Huawei-Towards Cost-effective, Adaptive Distributed Training of Deep Learning Models
	Joint Source-Channel Polar Coding (JSCPC)
	Long Video Generation with Complex Scene Modelling
	Robust Articulated Hand Tracking Algorithm
Jiangsu Delin Environment Technology Co Ltd	Application of Ceramic Microfluidic Chip in In-Line Water Quality Analyzer
Jiangsu Industry Technology Academy	JITRI project - Partnership Management Costs
PetroChina Research Institute of Petroleum Explora	Reservoir Geophysics Consortium
Qingzhen Keji	The development of a novel antibody-drug conjugate strategy in high grade serous ovarian cancer
ShouGang Research Institute of Technology	Shougang-Imperial Lab for lightweight steel based systems for impact resistant automotive application

IMPF0I-24-388, Funding from China, Russia and Iran

Zhejiang University	Collaboration with Zhejiang University for the Joint Lab for Applied Data Science
