Imperial College London

Computer Science Courses Step Offer Failure for Accepted Applicants

> Data has been provided for UCAS applicants in the 2022/2023 admission cycle who had the status of Unconditional Firm
> Data has only been provided for students who were accepted onto their course after receiving an offer that contained a STEP offer condition.

Table 1 shows the number of students whose offers contained a STEP offer condition and who were accepted onto their course.
It also shows the number of these students who were accepted onto their course despite not meeting thier STEP condition.This is dispayed by course.

	Unconditional Firm Offers with a Step Condition Met	Uncondition Firm Offer with a STEP Condition Not Met
2022	**51**	**67**
Computing (BEng 3YFT)	31	32
Computing (MEng 4YFT)	20	35
2023	**41**	**73**
Computing (BEng 3YFT)	28	44
Computing (MEng 4YFT)	13	29
Grand Total	**92**	**140**
