Landing page

- The landing page is the first screen that respondents see on navigating to www.reactstudy.org/antigenreg (the URL contained in the invitation letter)
- The landing page shows welcome text, and will include the following features and design elements, from top to bottom:
 - DHSC, Imperial College London, NHS and IM logos
 - Survey title “This is the COVID-19 testing research study. Thank you for your interest in registering for this study.”
 - Access code box, with text “Please enter the access code from your letter” and “Start survey” box
 - Instructions about how to enter the access code “Please enter the access code as it appears on your letter. Please enter the first four characters in the first box and the last four characters in the second box.”
 - The following links:

 - Privacy Policy¹
 - Contact us²
 - FAQ³

Before we begin, we would like to inform you that Ipsos MORI is a member of the Market Research Society. All information will be kept confidential by Ipsos MORI and approved Imperial College London staff and researchers.

Taking part is voluntary and you can change your mind at any time.

If you would like to read our Privacy Policy, you can access it at www.ipsos.uk/covid-swab-privacy. This explains the purposes for processing your personal data as well as your rights under data protection regulations to access your personal data, withdraw consent, object to processing of your personal data and other required information.

NOTE TO SCRIPTERS:

There are 3 groups corresponding to Mail_Grp i.e. u_mail_grp

Mail_Grp	Age group
Mail_Grp=1	18+
Mail_Grp=2	13-17
Mail_grp=3	5-12

¹ This will be a privacy policy unique to the household-level survey. It will be on the IM website, and will make reference to GDPR. and this link will take respondents directly to it. The URL will also be included on the survey materials (again, following the protocol for the main survey).

² This should launch an email to the survey email address (UK-Covid-swab-research@ipsos.com)

³ These FAQ will expand on those included on the reverse of the invitation letters.

RESPCHK

Are you willing to take part in this study?/Are you willing for your child to take part in this study?

Taking part is voluntary. If you agree we will send you a COVID-19 self-testing kit. The test involves taking a swab of your/your child's nose and throat. We will provide full instructions with the kit. There is no obligation to take the test if you agree to be sent it.

Once you have done the swab, the kit will be collected and taken to a laboratory. You will be informed of the result of the test.

We would also like you to complete a short questionnaire as well as doing the swab test, collecting information about [you/your child] and [your/their] current health status.

The results of the swab test will be linked to your questionnaire answers. All questionnaire information will be kept confidential by Ipsos MORI, and approved Imperial College London

staff and researchers. Nobody will be able to identify you in any published results. We will send more information with the test, and you can withdraw from the study at any time. Please note that a small number of people who register to take part may not be included in the research and will be informed of this.

If your/the test is positive (suggesting that you/your child currently have/has COVID-19) we will inform NHS Test and Trace so that they can contact you. For information about NHS Test and Trace please visit www.gov.uk.

1. Yes, I want / my child to take part in this study
2. No, I do not want / my child to take part. (TAKE TO FEEDBACK PAGE 2)
